

APPROVED

By the decision of the Board of the
Eurasian Economic Commission
from 19 November 2019, № 200

**The List of
international and regional (interstate) standards, and in case of their absence, national (state) standards, the application of which
on a voluntary basis ensures compliance with the technical regulations of the Eurasian Economic Union “On requirements for fire
safety and firefighting means” (TR CU 043/2017)**
